

Forex Libra Code Authorization

E-mail: flcode@flcode.com

Clickbank Receipt: FLCODEXX

I'm attaching the authorization codes for the Expert Advisor.

I'm also attaching two template.

The first template, **Template A** is for most MT4 platforms.

Template B is for Trader's Way, Forex.com MT4 or any MT4 that uses pro prefix.

The prefix had to be added to one currency pair in the Heat Map indicator.

After Template loaded,

please change the timeframe to make the indicators/expert work.

Updates, bonuses and weekly webinars will usually go out by Monday-Wednesday of the week they are released.

If you have any questions, please contact email:
