

Welcome to your Lux Algo Metatrader tools.

In these folders you will find your indicator files. Simply follow the steps provided here to get started: <https://docs.mt.luxalgo.com/setup-install>

You are able to find full indicator guides where each feature is described in detail here: <https://docs.mt.luxalgo.com>

If at any time you require assistance, you are able to reach out to us at support@luxalgo.com.
