How to Change Your Name

1. **Open the Wardrobe**:
    - Press the `C` key on your keyboard while in the 3D world, or
    - Click the **Wardrobe (shirt icon)** on the bottom toolbar.
2. **Edit Your Name**:
    - In the bottom-left of the Wardrobe panel (under your 3D avatar preview), click on the **name box**.
    - Type your new name (3 to 14 characters: letters, numbers, and spaces).
3. **Save**:
    - Click the **Save** button in the bottom right (or press `Enter`).
    - Your nameplate above your head, in the chat log, and throughout the entire office immediately updates to your new name and persists automatically.
